

September 14th, 2021

Dear Educator,

A teacher is one of the most primary and influential people in our children's lives. They are the backbone of our society's future and the most inspirational, dedicated, and talented should be recognized. With this in mind, Univision 23 proudly announces its **19th Annual Un Maestro Especial** campaign, which highlights and rewards those teachers who are making a distinct and positive impact in the lives of their students. **Un Maestro Especial** will provide an opportunity for the parents, students, and professional colleagues of our community to nominate whom they consider to have exemplified exceptional qualities as teachers.

We are extremely pleased to welcome **Chick-fil-A South Florida** as a sponsor for this year's campaign. **Univision 23** in partnership with **Chick-fil-A South Florida** will be recognizing and awarding each of the ten winners. In addition, the winners' profiles will be featured on Univision 23 through an on-air campaign.

Enclosed please find the nomination forms which detail all of the campaign information along with the selection criteria. Teachers may be nominated by students, parents or colleagues.

The deadline for the submission of the application is: **Friday, October 15th, 2021.**

Please let me know if you need any additional information.

Sincerely,

Angela G. Ramos
Director of Community Empowerment
