

GlobalED

Setting the Standard
for Corporate Training and Credentialing

THE ONLY TRUSTED SOURCE OF GLOBALLY RECOGNIZED CREDENTIALS

Empower your leadership to support your employees.

One size does not fit all. Why would it work for your team?

Customize your training based on role, skill sets, job needs, and more.

MANAGE YOUR TALENT

- GlobalED helps you seamlessly track certifications & create learning pathways for professional development.
- Select from a diverse content library of thousands of professional development courses aligned to global standards.
- Add your own custom content or integrate content from other providers.
- Empower your employees to accrue stackable credentials, leading to higher certifications.
- Prepare, certify, and onboard new hires.
- Access reports and insights to help you maximize employee opportunity & growth.

A SECURE DIGITAL WALLET

- Reduce paperwork with secure digital wallets for each employee and team member.
- Easily view and manage individual or team credentials, professional development, and certification requirements.
- Our secure technologies facilitate the verification of credentials and protect against fraud.

GlobalED is an Accredited Learning Services Provider
