

## Our Core Focus

Egis is the leading Charter School insurance services provider in Florida offering broad, tailored coverages with a full suite of complimentary risk management solutions to over 300 Florida Charter Schools.

## Coverages Available:

- Property & Inland Marine
- Abuse & Molestation Liability
- Active Assailant
- Auto Liability & Physical Damage
- Boiler & Machinery
- General Liability
- Educators Legal & Employment Practices Liability
- Student Accident & Special Events
- Workers Compensation
- Crime & Cyber Liability

## Claims and Risk Services:

Our accessible and knowledgeable claims and loss control teams are always willing to answer questions and assist charter schools with any risk management challenges. Both teams leverage their technical expertise on complex risk management issues including key takeaways and lessons learned from previous litigation and claim outcomes.

- On-site visits including safety and risk management consultation, as well as reviews of school's property schedules to support accuracy.
- In person and virtual safety and risk management training.
- Monitoring of proposed legislation to determine impact on charter schools.
- Claims advocacy services including working closely with schools to ensure they know what to do before and after a loss occurs.
