

# Protecting the Future of Florida's Public Charter Schools

Tailored **insurance** solutions, **risk management** expertise, and ongoing **support** to help your school thrive.

Florida's public charter schools are a cornerstone of successful communities, nurturing young minds, empowering the next generation of leaders, and shaping our future. Florida Insurance Alliance provides services to more charter schools than any other carrier and we recognize the immense responsibility entrusted to charter schools and their operators.

Being a member driven and member focused governmental insurance trust, we align ourselves with supporting the mission of public charter and appreciate the depth and breadth of unique challenges they face. Lean resources, complex regulations, aging facilities, budget constraints, and diverse needs – our dedicated team has the expertise and passion to be your trusted ally in navigating the ever-evolving educational environment and the risks that can come with it.

# FIA Advantage

## Charter School Expertise:

Knowing you have a team of experts in your corner allows you to focus on what matters most – educating students. Our knowledge has been honed over the years of walking *with* our members through complex claims, complicated issues, and creative solutions. As a thought leader in the Florida charter school insurance and risk management space, our member schools know that when they are searching for solutions, they can trust the Florida Insurance Alliance team.

## Training Programs and Resources

Our interactive workshops empower your staff with the knowledge and skills to identify and address potential hazards, fostering a culture of risk awareness and proactive safety practices.

## Tailored Solutions

Our solution-focused approach means you can count on us to deliver custom services tailored to your school's size, demographics, vulnerabilities, and activities, reducing student and staff injuries.

## Thoughtful Claims Management

Our dedicated and experienced claims professionals, together with carefully selected legal counsel, provide personalized attention to ensure each claim receives the care it deserves.

## Onsite Consultative Risk Assessments

As part of our collaborative approach, we work with school leadership to conduct comprehensive on-site assessments, where we identify potential hazards, discuss operational risks, and develop actionable mitigation strategies.

## Comprehensive Coverage

FIA prioritizes affordability and stability for its members. You benefit from broader coverage at a competitive cost compared to the standard market. This allows you to allocate more resources towards your core mission – empowering student success. We go beyond basic insurance offering a comprehensive suite of coverages specifically designed for Florida's public charter schools.

## Dedicated Team

We leverage our intellectual capital to work one on one with our member schools to help navigate more complex risks within the context of the regulatory environment, helping them stay ahead of the curve. When you need a sounding board for a policy or procedure or want to hear how other schools navigate a particular risk management issue, our team can help. We take time to craft responses based on our deep understanding of the challenges facing charter schools.
